

National Museum of Industrial History

## Part-Time Museum Educator–Job Description

### Description:

The National Museum of Industrial History seeks outgoing individuals to join our team as Museum Educators. Museum Educators will facilitate and lead educational programming and engage and excite our audience in Science, Technology, Engineering, Art/Design and Math (STEAM) and social history content. Reporting to the Education and Program Coordinator (EPC), the part-time Museum Educators supports all aspects of the administration and delivery of the Museum’s education programs which include K-12 on-site field trips, K-12 distance learning, scout programs, family and community programs, outreach events, learning the Point-of-Sale (POS) system with the opportunity to learn additional front-of-house operations, and more.

### To Apply:

Send resume and short answers (under 300 words each) to the following questions to the Education Department at [education@nmih.org](mailto:education@nmih.org).

Questions:

1. What interests you about our Museum and what made you apply for this position?
2. Describe your favorite museum experience/program/field trip you’ve participated in.

**Reports to:** Katie Rymon, Education and Program Coordinator (EPC)

### Qualifications and Skills Preferred:

- B.A. in Education, Museum Studies, History, Engineering, or related field preferred
- Hands-on teaching experience, working with children’s groups, or community-based programs
- Confident with speaking in front of groups and ability to represent the Museum professionally
- Must have a willingness to learn, and bring joy and enthusiasm to the workspace

**Employment Type:** Part-Time. This job has a flexible schedule, with most of the hours falling between Monday-Friday from 9 am-5 pm, however some weekends/evenings may be available.

**Salary:** \$12.00 per hour
